# **MESSAGE FROM THE BOARD**

It has been a strange time in the last month or so with the COVID-19 pandemic. Things have been cancelled, people are working from home, and kids are finishing up the school year with their parents at home. It feels very isolated at times. Good things have also come from sheltering in place as many have said they have enjoyed spending more time with their family and it has helped them grow closer.

The STLPA 2019-2020 year has not been defined by COVID-19! We had many great events: wonderful CLEs, a festive Holiday Party, and the Hay Ride to name a few. We thank all our amazing Business Partners that help STLPA put on such great events! We thank our members for participating, and we thank the law firms that contribute by allowing our events to take place at their offices, providing parking, drinks, or whatever they can. Please know the STLPA is grateful for your contributions to help make STLPA such a great organization!

I want to thank the current board and committees for everything during this past year! I especially want to thank Stephanie Givens, NALA Liaison, for answering each and every question I had. I also want to thank Kathy Fitzgibbons in her role as Director as I know that is a busy board position. Both of them rotate off the board this year and we thank them for all of their contributions! Stephanie has been on the board for the past six years and I have genuinely enjoyed our time together!

### **Sponsors**

Being President is an honor, but it really takes a village to make meetings and everything run smoothly! The new STLPA Board will be installed in a few weeks, likely via Zoom meeting. There should be more fanfare for this transition, but at this time we must abide by orders from local and state officials. As previously communicated, Annual Paralegal Day has been rescheduled from May 15th to September 25th. We are hopeful the event will take place on that date and that everyone will be allowed to attend together.

We sincerely miss getting together for our monthly events! Know we are thinking about you and that we look forward to the next time we see each other!

In the meantime, stay safe and remember **We Are All In This Together!** 

Kelley Pogulis STLPA 2019-2020 President

### DON'T MISS OUT! GET YOUR EMAILS FROM STLPA!

We want to make sure that emails are getting through to everyone. Our website administrator has given us these tips to ensure delivery of your emails from our email server. To make sure none of your mail is being caught by your firewall or spam filtering service, you can white list (adding to your approved or safe sender list) several domains and IP addresses to ensure safe delivery. Depending on your e-mail service, you may be able to do this yourself, or you may need the assistance of your IT administrator. We recommend white listing the following:

- <u>starchapteremailhost2.com</u> 67.43.2.30
- <u>hostemail1.starchapterhost.com</u> 209.59.162.85
- <u>hostmailbox1.starchapterhost.com</u> 67.43.7.204
- <u>hostapp1.starchapterhost.com</u> 67.43.0.3
- <u>hostapp2.starchapterhost.com</u> 209.59.143.168

- <u>hostapp3.starchapterhost.com</u> 67.225.172.119
- <u>hostapp4.starchapterhost.com</u> 209.59.144.126
- <u>starchaptermail.com</u> 69.60.117.130
- 166.78.71.148
- <u>stlpa.org</u>

Messages from the organization will usually have the same reply-to email address on them (visible if you start to reply to the message). Adding this address to your address book or contact list can also help ensure

delivery. Adding <u>webmail@stlpa.org</u> or <u>info@stlpa.org</u> or any domain @<u>stlpa.org</u> to the approved or safe sender list, and your address book or contact list can also help. These changes can be helpful if e-mails are being reported as bounced, too.

We would appreciate it if you would take the time to ensure this gets done so you don't miss out any important STLPA information. Thanks!
